I, as parent named above, hereby give my son or daughter permission to participate in the SSPJ Stained Glass Club Community Service program. I am aware that working with glass and lead can be dangerous and that even under close supervision, there is a possibility that my child might get hurt. I realize that the club has taken every precaution to ensure that it is conducted in the safest possible environment. I also agree that pictures and videos of myself or my children may be used by the club in any of its printed marketing material or media sites.

I hereby indemnify and hold harmless, Sts. Philip and James Church and School and the instructor, John P Garvey, from any and all liability, and for any damages I or my children may sustain as a result of this club, now or in the future.

By signing below, I hereby give my consent to have my child, and/or myself participate in the SSPJ Stained Glass Club and make the indemnification as indicated above.

The registration fee listed below is designed to cover the cost of all equipment, tools and supplies needed to complete each individual project and to give the children a sense of responsibility towards their community service. The first project is a simple cross that will be used for our Crosses for College campaign in the summer. Children must attend at least two sessions to complete their projects, however some children may need three sessions. All are welcome to continue to make additional projects for themselves if desired.
